

Looking for some FUN?!!

Our social skills groups are stuffed with lots of worthwhile fun that include arts and crafts, sports activities, wacky games, team building activities, interesting stories and MUCH more!!

Who We Are:

Steps to Progress LLC provides center-based and in-home services to children with Autism Spectrum Disorder using Applied Behavioral Analysis (ABA). Our goal is to treat each child as an individual as we work to improve their learning skills, social interaction, and awareness, while reducing behavioral issues.

When:

Summer 2014 (June 9th – August 15th)

Staff:

Our social skills groups are run by our energetic staff who specialize in fun and concentrate on helping children with learning difficulties. Each of our groups is led by a team of highly trained college graduates who have extensive experience with children in this age group. Your kids will have fun while learning!

Location:

Steps to Progress LLC Clinic
3500 S. Gessner, Suite 300, Houston, Texas 77063

Cost:

\$40/hr for children with Autism Spectrum Disorder or learning differences.

Typically developing children may participate at no cost! Typical children, including siblings and friends of clients, that can serve as appropriate role models for peers who have more difficulty with social skills and language development can participate in our fun social skills group for free!

Groups/Times:

Bumblebees – 3 and 4 year olds: Wednesdays 8:30-11:30 a.m.

Super Kids – 4 and 5 year olds: Mondays and Wednesdays 1:00-4:30 p.m.

Cubs – 4 and 5 year olds: Tuesdays and Thursdays 8:30-11:30 a.m.

Little Explorers – 6 to 8 year olds: Tuesdays and Thursdays 1:00-4:30 p.m.

SUMMER 2014 SOCIAL SKILLS GROUPS FOR CHILDREN WITH AUTISM

When: Summer 2014 (June 9th – August 15th)
Location: Steps to Progress LLC Clinic - 3500 S. Gessner, Suite 300, Houston, Texas 77063
Cost: \$40 per hour; non-ASD siblings or friends may participate at no cost!

Our social skills programs use Applied Behavior Analysis (ABA) techniques to build foundational skills that will help students with autism respond appropriately in various social environments. We set specific behavioral goals for each child based on their needs. Our programs are run by our energetic staff who help the students develop social and language skills when interacting with peers and adults. The students have fun while learning.

Summer Session One – June 9, 2014 through July 11th, 2014
Summer Session Two – July 14, 2014 through August 15th, 2014
